

**SUPER
SILENCED**

Soundproof box

Easy installation

Compact

Super silenced marine generators equipped with Yanmar 1500 RPM engine. The double anti-vibration system allows to reduce the vibrations coming from the unit to the frame and to absorb the remaining micro-vibrations between the frame of the generator and the boat.

The cooling is in a closed cycle inside the case by means of a water/air exchanger. This allows to reduce vibrations and noise, ensuring ZERO derating up to a sea water temperature of 31 degrees.

GSi series

Controller with digital display for full monitoring of generator parameters: start, voltage, frequency, power, amperage, engine rpm, hourmeter, genset battery voltage, engine oil pressure, engine and alternator temperature, engine pre-heating, alternator battery charger failure alarm, inverter failure alarm, protection alarm for overload, short circuit, high and low voltage, high and low frequency, high and low rpm, alarms history, maintenance warning

- Other features: direct ECU communication via CAN line, possibility to disable all protections (emergency mode operation), automatic start for low battery voltage level, possibility for a Start/Stop remote switch (AUT mode), possibility to have multiple remote devices

- Emergency stop button
- Thermal and magneto-thermal protection
- Easy access in case of maintenance of feeding system, lubrication system, sea/water pump and air filter
- Safety stop in case of low oil pressure
- Safety stop in case high engine temperature or exhaust gas temperature
- Oil filter and fuel filter easy to replace
- Quick access to seawater pump
- Cooling system: cupronickel exchanger (heat exchange between coolant liquid and sea water)
- Soundproof cabin made of extremely light marine aluminum with very high resistance to external agents

DIMENSIONS IN MM

	GSi 7	GSi 8	GSi 12	GSi 16	GSi 26	GSi 29
Noise level Lwa	49 dBA @ 7 mt		50 dBA @ 7 mt		51 dBA @ 7 mt	
AC generator-50Hz	Synchronous					
Cooling	Air/water (Intercooler W/A)					
Single-phase max. power	7,5 kW	8 kW	11,2 kW	15,3 kW	26 kW	29 kW

GSi SERIES

Accessories
on request

- Siphon break
 - Filter kit
 - Exhaust kit
- Separator and exhaust advice
- Remote START/STOP panel (20 mt cable)
- Remote start panel with display (20 mt cable)
 - Insulated two poles kit

NOTE
